

WELCOMING REVIVAL

We urge and encourage you to be in tune with the Lord about what is happening at Asbury University in Kentucky--Revival is happening. Below is an article about it--you can find videos on YouTube. We've been praying for a new move, a new outpouring, a new Great Awakening for a long time--and I believe we are seeing it happen. Sadly, some are critical of this, but I urge us all not to touch what God is doing, but prepare our own hearts to be involved and support the moving of the Holy Spirit.

Sherri, her husband Karl, my wife Gale and I, and millions of fellow followers of Jesus were personally ushered into Jesus in the Jesus people Charismatic Move--indeed, a real revival took place and spread around the world. In the 70's, we were good friends with, and had many of the well known leaders of, the Latter Rain outpouring of 1948 into our church, Living Faith Fellowship, in Pullman. These people's lives had been changed by Jesus and the outpouring of the Holy Spirit, as were ours by knowing and receiving His Spirit and power through them. Some are critical of that move, and of the Azusa Street Revival in 1906; some are critical of most the moves of God that have occurred throughout years. Instead, we need to welcome God to move--freely and powerfully.

While many work toward answers to the rancor, bitterness, and immense problems in our nation and our world including between nations, economically, globally, and healing reconciliation between the races and the myriad of other issues that face us all--we believe Jesus is the Answer for the deepest needs and the only One who can truly change the human heart.

We are asking Him to move into impossible situations with His amazing grace and presence. Let us welcome the Holy Spirit to do what only He can do--bring revival and hope to this world that so needs Him.

We urge us all be in prayer that God will move powerfully right here in our own region. We give Him that room when we give Him that room in our own hearts and lives. Let's Welcome Revival!

Cheering for Jesus in you,
God bless!
